

## EL 110 and EL 5 Specifications

### EL 110 and EL 5

EL110 Aluminum Glass Gates have a unique look for today's more contemporary-styled homes. Crisp lines and sleek design formed from durable corrosion-resistant aluminum frames and light-filtering glass make a striking complement to your home. EL110 Aluminum Glass Gates has a standard frame featuring a narrow width and an array of frame finishes and special custom options in door sizes.
